Founded in 2016, Kailash Shipping Services provides comprehensive logistics and supply chain solutions with a focus on customs clearance, freight forwarding, and transportation management. Headquartered in Gandhidham, near Mundra Port, we support businesses of all sizes in managing import and export operations efficiently.

Our team of experienced professionals ensures that every shipment is handled with precision, from documentation and customs formalities to final delivery. We offer a wide range of services including air and sea freight forwarding, warehousing, project cargo handling, DG cargo management, and cargo consolidation.

With a strong network and modern operational systems, we aim to provide smooth and cost-effective movement of goods while maintaining full compliance with regulatory standards. Our approach is built on transparency, timely communication, and a commitment to reliability.

Whether you are shipping domestically or internationally, Kailash Shipping Services serves as your dependable logistics partner - ensuring that every consignment reaches its destination safely, on time, and within budget.
