Kevin Infotech has emerged from a manufacturer of 35.56cm B&W TV sets to a market leader manufacturing the Oscar brand of consumer durable goods. The company is gearing up to launch flat-screen colour TVs. Oscar will be the first Indian brand in the flat TV market. Kevin has recently launched a home theatre system with innovative features. Its biggest factory is in Noida, with local plants in Kolkata and central India. Chf Extv: Krishna Kalani.
