We are a premium fashion brand that is creating a wearable expression for the modern man. Designs and fabrics that allow men to embrace more authentic, multi-dimensional journeys. We believe that every shirt you wear is a tool for navigating your daily moments, reflecting the blurred lines between the spaces and contexts of work and play. We are for the creators, the original voices, the trailblazers, the innovators. We are for all those who start with a blank canvas and fill it with their vibrant colours of life. We will constantly strive to deliver the finest quality and innovative styles that manifest everlasting simplicity and elegance of design.

Kingdom of White is an expression of white shirts passionately driven by amalgamation of stylish modern designs, handpicked optimal quality fabrics and craftsmanship that's diligently consistent.

Working with clean, modern silhouettes for the new age man with a comfort first mindset, we strive to deliver the most optimal experience in the utmost authentic manner . We love symmetry, simplicity and fluid aesthetics and our colourful stories in white are a simple expression of those values .
