Kohinoor Group has proudly stood tall as a leader in Pune's real estate development sector for over 30 years. When the group commenced operations in 1983 under the able leadership of its Chairman & Managing Director, Mr. Krishnakumar Goyal, they started a cement trading business.

Construction and development began only in 1989 under the name of Kohinoor Constructions. Today the group has developed and delivered over 4 million sq. ft across Pune and has over 3 million sq. ft of spaces currently under development. It also has diversified interests in other verticals like Manufacturing, Logistics, and Services.

In the last decade, every project that Kohinoor Group has undertaken has been planned entirely before starting any construction work – an inspiration that Mr. Vineet Goyal and Mr. Rajesh Goyal, Jt. Managing Directors, Kohinoor Group learned from Japanese construction practices. Be its **residential projects in Pune** or **commercial projects in Pune**, Kohinoor always thinks about the needs and wants of their customer base before taking any decisions.
