About us-

Koodo is the ultimate sports networking app, which allows you to connect with other sport enthusiasts around you. It gives you an opportunity to be a part of the ever growing sports community, connect with sport enthusiasts and meet people sharing the same interest as yours. With Koodo, you can create and join activities, find new players of your type willing to partner you, hire professionals to play at your desired time and location, plan your sessions with coaches to improve your game and enjoy your sport regularly.
