Krishna Auto Electric is a well-recognised name in the automobile spare parts business in India. With over 20 years of experience in the industry, we have garnered the knowledge, experience and resources required to meet varied needs. We also export high-quality products to many countries, including the USA, Nepal, Bangladesh, Mexico, and Italy.

We are one of the prominent **Lucas TVS authorised dealers and Mahindra spares distributors**. We also deal in genuine tractor spares, including Eicher and Sonalika tractor parts. Our extensive inventory and affordable automobile components list includes lighting, horns, switches, starters, alternators, starter motors, and more by major brands such as Lucas TVS, Delco Remy, Mahindra and Mahindra, Uno Minda, and more.
