**MantraCoach** is a global coaching platform transforming personal and professional growth. Operating in 40+ countries, MantraCoach offers a wide range of services, including life coaching, executive coaching, career coaching, relationship coaching, wellness coaching, and leadership development. Our network of certified international coaches has empowered 10,000+ individuals and 500+ organizations to achieve clarity, confidence, and long-term success. By combining AI-powered coach matching, customized coaching programs, and 24/7 online access, we make expert guidance accessible from anywhere in the world. **MantraCoach is backed by \$20M in funding from Impanix Capital.**
