MantraFit is a global online fitness and nutrition platform helping individuals achieve their health goals with expert-led guidance. From weight loss, eating disorders, food allergies, diabetes, PCOS, hypertension and women's health to sports nutrition, prenatal & pediatric care, our personalized programs combine dietitians, nutritionists and fitness coaches to deliver real, lasting results.

We also offer GLP-1 Weight Loss Support, empowering individuals to achieve sustainable weight management through medically guided, lifestyle-integrated care.

Powered by AI Wellness, MantraFit provides smart progress tracking, personalized recommendations and 24/7 virtual support-ensuring every user receives an adaptive, data-driven experience.

Operating in 40+ countries with a growing community of 40,000+ users, MantraFit delivers customized diet plans, workout routines, progress monitoring and 1-on-1 coaching-all from the comfort of your home.

Backed by \$15M in funding from Impanix Capital, we're on a mission to make fitness, nutrition and wellness accessible to everyone, everywhere.
