Manufacturers of Glass Tube Rotameter and other Industrial Products

Address	Office no. 53, Shree Manoshi Complex, Plot no. 5 & 6, Sector 3, Ghansoli East, Navi Mumbai
Contact Person	
Mobile Number	
Email	sdbplonline@gmail.com

SCIENTIFIC DEVICES is an ISO 9001:2015, 14001:2015, CE Certified and DNV Type approved Company for Ships, High Speed & Light Craft engaged in Designing,
Manufacturing and Supply of flow meters, electromagnetic flowmeter, data communication, panel mounted, turbine flowmeter, vortex flowmeter, flanged type, wafer
type, hand hold ultrasonic, coriolis mass flowmeter, fuel flowmeter, oval gear flowmeter, metal tube rotameter, rotameter, horizontal metal tube, by pass metal
tube, glass tube, by pass glass tube rotameter, purge rotameter, acrylic body rotameter, water meter, flow switches, orifice plates, pitot tube, ultrasonic level
indicator, hydrosonic level indicator, sided mounted magnetic level indicator, radar level indicator, top mounted magnetic level indicator, reflex level
indicator, float and cord level indicator, float and board level indicator, displacer level switch, level swicth, pressure indicator, mini pressure indicator,
digital manometer, pressure gauge, temperature gauge, manometer, macleod gauge, industrial infrared thermometer, temperature transmitter, bi-metal temperature
gauge, mercury in stell, themocouple, rtd, temperature indicator & controller, sight glass, strainer
