

MBA in Finance

Address	Karnataka 576104
Contact Person	TAPMI Center for Executive Learning
Mobile Number	
Email	ExecutiveLearningCourses@gmail.com

An MBA program focusing on finance is created for individuals who wish to pursue careers in the finance industry. This type of MBA program is typically structured similarly to a traditional MBA but with a greater focus on finance coursework. As a result, students will acquire advanced knowledge in fintech, economics, and investment by the end of the program. In addition to finance coursework, students may also have the opportunity to choose from a range of core and elective subjects, including operations management and leadership skills.
