Messung has been at the forefront of industrial automation in India. Today, our portfolio and prowess extend far beyond this field to Building & Infrastructure Automation, Home, Office & Hotel Automation, Power Distribution & Control, Energy Management, Test & Measuring, Electronic Assembly, Workplace Ergonomics and Cleanroom Ergonomics.

Our Group is founded on ethical business practices, and committed to social and environmental responsibility. Even as we help achieve breakthrough levels of performance, we stay focused on reducing the impact of our technology on the environment.

Building on our deep industry knowledge, proven expertise, skilled people, strong implementation capability and nationwide support, we are now at an exciting stage of our corporate journey. We have a new generation of leadership at the helm, and are exploring new ventures with a more varied basket of offerings. With our pioneering passion and dynamic, youthful spirit, we continue to relentlessly pursue new-age solutions and raise the bar in our capabilities.
