Dtr for: (1) EZ Digital Korea (formerly sold under Philips Brand name) for 20/30/40/60/100/150 MHz analog/digital scopes DMMs Counters Function generators; (2) Metrix France (formerly sold under ITT brand name) for 20/30/40/60/100/150 MHz analog/digital/differential scopes 5000/50000 counts - 100KHZ DMMs clamp on power meters; (3) Chauvin-Arnoux France for Power/energy/harmonic analysers Current probes for scopes and DMMs 1-5KV Megohmmeters Digital transformer ratio meters Micro ohm meters businesspagesctrical installation testers Clamp on ground testers Scalar testers Microwave milliwattmeters and RF receivers; (4)Escorts-Taiwan for 4000/40000 counts DMM with input warning 20MHz palmscope Process calibrators RTD/TC calibrators LCR meters Function generators Function counters; (5) Martel USA for V/mA/RTD/TC/Pressure/Loop hand held as well as bench top calibrators; (6) Center Taiwan for Infrared thermometer Temperature meter Humidity meter Sound level meter Insulation tester and Current clamp meter; (7) Protek Korea for Arbitrary function generators (5/10/20/31/40MHz) LCR meters RF field strength meters and Spectrum analysers to 3GHz. Rep for: (1) Rotek Instrument Corp. USA for 100 PPM Accuracy power/energy calibration systems Watt converters; (2) Thermo businesspagesctron USA for Multifunction EMI/EMC test system to meet IEC 1000-4-2/4/5/8/9/11; (3) Antenna Research USA for EMI/EMC and Communication antennas; (4) Dynamic Sciences USA for EMI receivers Down converters Tempest systems; (5) Adaptive Power System USA for AC power/frequency sources; (6) Hsiang Cheng Taiwan for Precision 3 phase power meters Power transducer and Single phase and Three phase energy meter test bench; (7) Prana France for RF power amplifiers and CS 114/115/116 test systems; (8) Siepel France for Anechoic rooms Shielded enclosures Absorbers & ferrites. Vice President - Sales: S., Bothra.
