National Institute of Business Studies is one of the leading educational institutes in India offering wide-range of distance learning engineering, management courses and university courses. Having a proven experience of delivering highest standard of education for numerous years, NIBS is a renowned name in educational sector. NIBS is an ISO Certified International B-School Accredited through Norway Accreditation Board and is registered with the Delhi government.

Located in the heart of New Delhi, NIBS have an excellent infrastructure and services to offer young students. There is a professional team of educators in the institute dedicated to deliver best of their information and knowledge. We respect individuality and thus, encourage students from all nationalities, religions, backgrounds etc. to unite under our virtual campus via distance education programs and open learning programs. The institute has earned a strong reputation over the years by providing the learners potential platform to pursue their dreams.
