Established in the year 1981 by Mr. Poonamchand Shah, Niko Steel & Engineering LLP is a leading supplier, exporter, and stockist of Bars in Stainless Steel, Duplex and Super Duplex Steel, Monel, Inconel, Hastelloy, Titanium, Alloy Steel, and Nickel Alloy, among other ferrous and non-ferrous materials.

We have Round Bars, Square Bars, Hex Bars, Bright Bars, Forged Bars, Black Bars, and more sorts of bars in stock. For improved supply chain management, we have a team of specialists and talented workers for each department, from raw material procurement to finished product inspection, inventory management to sales and services. This allows us to provide the best product quality and quick service to our clients.
