Oazkst is a trusted digital service provider in Bhubaneswar, offering secure and compliant solutions for digital signatures, e-stamping, and API-based verification across key government databases.

With a focus on simplifying digital identity and compliance workflows, Oazkst enables seamless integration for verifying details from MCA (Ministry of Corporate Affairs), UAN (Universal Account Number), GSTIN, Aadhaar, and Udyam Registration.

Our solutions are designed for businesses, fintech platforms, and legal entities seeking to automate KYC, streamline documentation, and ensure regulatory compliance. Backed by strong infrastructure and a commitment to data security, Oazkst delivers efficiency, accuracy, and peace of mind in every transaction.
