Optimists is passionate about helping you monitor and understand your health. Our products and services will help you to manage your health and immunity based on scientific analysis unique to your own body. We want to help you live a healthier life using tools you can trust, advice you can rely on, and the support you need. Optimists offer contactless self blood testing kit to check your Lipid Profile (Cholesterol), Liver Function, Vitamin D, Diabetes (HbA1c), Testosterone, Thyroid (Basic Profile), Complete Blood Count (CBC) and more. We also offer same day blood test home collection in Chennai.
