- Oriental Botanics Organic Neem Oil is extracted from the seeds of Neem tree through the process of cold-pressing that yields the highest quality virgin oil consisting of all the active constituents.
- Organic Neem Oil helps in countering hair thinning caused by pollution, stress, or medication. Therefore, the regular application of Neem Oil promotes thicker & healthier hair growth.
- The fatty acids present in Organic Neem oil revitalize and restore dry, under-nourished or rough hair. It also helps to provide relief from inflammation and irritation that results from dandruff.
- Organic Neem Oil is rich in Fatty Acids (oleic acid and linoleic acid), Limonoids, Vitamin E, Triglycerides, and Antioxidants. All of these ingredients provide immense benefits for the skin.
- Organic Neem Oil work as a natural alternative to heal the skin tissue from within & simultaneously reduces blackheads and scars. The fatty acids in neem oil prevent marks & scars caused by acne.
