OroFace Dental Clinic is a leading dental implant center in Seawoods, Navi Mumbai, specializing in fixed teeth in 3–5 days using advanced AI-guided dental implant technology. We provide complete solutions for patients with missing teeth, loose dentures, failed implants, and no bone cases, including zygomatic and pterygoid implants.

Our clinic is known for treating complex cases that were previously rejected elsewhere due to low bone density. With the help of CBCT scans, digital smile design, and computer-guided surgery, we ensure precise, safe, and long-lasting results. Patients from Mumbai, Thane, Pune, Gujarat, UP, MP, and across India visit OroFace for reliable full-mouth dental implant treatment.

At OroFace, we focus on pain-free procedures, fast recovery, and permanent teeth solutions under expert care. Whether you need same-day dental implants, full mouth rehabilitation, or advanced implant dentistry, our team delivers predictable outcomes with high success rates.

OroFace – Bharat Ka Smile Expert
