

# Photoelectric Sensors, Supplier of Photoelectric Sensor, Dealers, Ahmedabad, India

**Address**

6FF, Anuvrunda Owners Asso, Geeta Mandir Road, Anuvrunda Avenue, Bhulabhai Char Rasta, Ahmedabad-380022 (Gujarat).

**Contact Person** Dhaval Makwana

**Mobile Number**

**Email** photoelectricsensor@top1.co.in

Photoelectric sensors detect objects without physical contact, and without the use of light. They are also used in automation, packaging and in industrial application due to the reliability of performance. These are fast responding and long life sensors with easy installation. They are good in enhancing efficiency and accuracy in the current industrial systems.
