Pinnacle Life Science is a 100% subsidiary of India's most trusted pharmaceutical company Aarti Drugs Ltd (ADL) and forms part of \$ 1.5 billion conglomerate of the esteemed Aarti Group of Industries.

With 35 years of healthcare commitment through Aarti Drugs, Pinnacle has made its presence in nearly 90+ countries. Treading carefully on the path of efficient healthcare, the state-of-the-art manufacturing facility is designed to produce formulations that meet international quality standards and stringent regulatory compliances to trade beyond borders.

With significant expansion in R&D, Manufacturing & Marketing capabilities, we are poised for an accelerated growth.
