## Planetary Gearbox

## Planetary Gearbox

We are recognized as one of the renowned suppliers of planetary gearbox in India. The full variety of modular design planetary gearbox for industrial applications. It mixes high performance with low cost and compact size, excellent reliability, easy installation, and reduced maintenance. Top Gear transmission industrial planetary gearbox comes in a variety of sizes to guarantee maximum duration and silent running in all sorts of applications.

### Specifications of Planetary Gearbox

- 1. Power: 0.17 kW to 75 kW**
- 2. Reduction Ratio: 3.6 to 100000:1**
- 3. Torque Capacity: 100 Nm to 1000 Nm**
- 4. Mounting: Flange / Foot / Shaft mounted**

### Key Features of Planetary Gearbox

- 1. Can be offered in multiple input & output configurations.**
  - 2. Multiple mounting arrangements-foot, flange or shaft mounting.**
  - 3. Co-axial drives**
-

## Advantages of Planetary Gearbox

1. High torque.
2. Highly efficient drives.
3. High reduction ratios possible.
4. Compact Drives.
