URL <https://www.dhanrajplastics.com>

Plastic bottles are becoming increasingly popular as an alternative to disposable plastic containers due to their long-lasting durability and sustainability. In addition to being lightweight and easy to hold, they are also strong and difficult to break.

Since 2008, Dhanraj Plastics has been a leading [plastic bottle manufacturer in India](#). We supply bottles, jerry cans, and containers with capacities ranging from 100 ml to 20 liters. Furthermore, the bottles we provide are made of high-quality plastic that is both safe and hygienic. Our products are extensively used in pharmaceutical, food, chemical, and other industries. These are offered in various designs, shapes, and sizes to meet the different requirements of our clients.
