

Residential & Commercial Lighting Upgrade Victoria

Address	21 Paramount Boulevard, Derrimut, VIC 3030, Australia
Contact Person	Arpan Rooprail
Mobile Number	
Email	info@ecofinsolution.com

We offer hassle-free upgrades and replacements of old lights to energy-efficient LED lights. Switching from conventional to LED light reduces overall energy costs and impact on the environment. We believe in quality services. This is why our on-site analysis, implementation of the upgrade/replacement is done professionally. All energy upgrades are fully compliant with ESC's guidelines and VEU government scheme. You'll get replacement/upgrades done for free or a little cost, depending on the type of setup you have, e.g., residential, commercial or industrial setup.
