Eye and Retina Surgeons is an expert eye practice that unites 10 of Faridabad's set up ophthalmologists in giving quality eye care. Eye and Retina Surgeons (ERS) was established in 2001 as an overall eye expert facility with an attention on the field of the careful and clinical retina from its establishing individuals. Throughout the long term, other subspecialties of ophthalmology were created with new accomplices and advances added to our training. This prompted the development of our auxiliaries, Eye and Esthetic Surgeons (EAS) which takes care of oculoplastic, eyelid, and orbital issues, Eye and Cornea Surgeons (ECS) where the most recent cornea treatment and medical procedures are offered lastly, Eye and Glaucoma Surgeons (EGS) to take into account those with glaucoma sickness.
