**Ruhani College of Health Business and Technology** is dedicated to helping students build successful careers in healthcare and wellness. Recognized among trusted pre med schools in Ontario, we provide strong academic preparation for future medical professionals. We offer hands-on registered massage therapist course in Ontario, guided by experienced instructors and real-world practice.

We are also recognized as one of the best acupuncture schools in Ontario, blending traditional knowledge with modern therapeutic techniques. Students seeking holistic healthcare pathways can pursue a manual osteopath certification in Ontario, gaining in-depth training designed to prepare them for rewarding careers in wellness and rehabilitation.
