Sachin Shims Private Limited is a Mumbai-based manufacturer specializing in precision-engineered shims, washers, bolts, and sheet metal components. Established in 1996, the company has built a global reputation for delivering high-quality products that meet international standards such as ISO 9001:2015, API, DIN, BS, IS, and AGMA.

With over two decades of industry experience, Sachin Shims offers a comprehensive range of products, including pre-cut and ready-cut shims, coupling shims, motor shims, various types of washers (like lock, tab, and conical), U-bolts, and die-cut gaskets. The company also provides customized solutions based on client specifications and drawings.

Operating from three manufacturing facilities in Mumbai, Sachin Shims serves diverse sectors such as automotive, aerospace, and industrial machinery. Their commitment to quality and innovation has positioned them as a trusted partner for clients worldwide.
