Seven Colours card is a one stop online platform from where customers can select , customize and order personalized wedding invites from anywhere across the world. The company was established in 2010 and since then has become a renowned name in the world on online invitation card. Started by Kanika Kheria, this company has gradually emerged as a leader in the field of online invitation cards. The reason for its success is hugely due to the abled team it comprises. Based out of Jaipur , they are known to have a specialized designing team that is adept in making wedding invites that have the essence of India but also has the individuals personal touch to it.

Designer Wedding Cards | Hindu Wedding Invitations | Islamic Wedding Invitations | Punjabi Wedding Invitations | Gujarati Wedding Invitations | Tamil Wedding Invitations | Christian Wedding Cards | Scroll wedding cards |
