provides affordable and legally compliant **Virtual Office solutions** for businesses across India. We help startups, eCommerce sellers, and service providers obtain a professional business address that can be used for **GST registration, compliance, and communication purposes** without the cost of maintaining a physical office.

- **Virtual Office for GST Registration** (multi-state availability)
- **Registered Office Address & Mail Handling**
- **Virtual Place of Business (VPOB) for eCommerce Sellers**
- **Additional Place of Business (APOB) solutions**
- **End-to-end GST support and documentation assistance**

With a 95%+ GST approval success rate, quick turnaround time, and dedicated compliance support, SimplySetup ensures businesses can expand legally across multiple states while keeping overheads low.
