SOA (School of Aesthetic) is a pioneering force at the forefront of innovative aesthetics education for medical professionals. Creating well-trained, passionate medical professionals in aesthetic medicine. Demand for Non-invasive / Invasive aesthetic treatments has been rising for a number of years. So creating a good practitioner is very important.

Extraordinary Experiences

Our Signature Diploma / Certificate courses and mentoring, we provide doctors, dentists, and nurses with the thorough grounding they need to succeed in aesthetics supporting them towards aesthetics excellence.

Our Core Values

Our intention is to cultivate conscientious practitioners who are thoroughly supported, knowledgeable and skilled not only to deliver clinical excellence and become highly successful, but to also put their patients' safety and wellbeing first.
