Soex Flora stands tall as a leading Indian exporter of fresh-cut roses, recognized globally for our unwavering commitment to superior quality. We take immense pride in delivering exquisite roses that grace destinations worldwide. Our greenhouse facilities, equipped with state-of-the-art technology, host the widest array of rose varieties in India. The secret to our premium quality roses lies in the harmonious blend of an ideal climate, fertile soil, and the expertise of our highly qualified team, composed of experienced floriculturists and plant technologists
