Frantic Infotech is India's leading and most trusted mobile app development company based in Noida, serving clients globally including in USA. Our extremely devoted app developers make it easy for you to grow your business when it comes to launching it onto an online platform. We excel in developing android apps, iOS apps, cross platform apps, react native and flutter apps and most importantly custom made on-demand apps 100% according to the clients requirement. This feature of ours makes us different from others. Being established in 2016, over the span of 4 plus years we have grown as a company and served almost 400 plus clients worldwide, including 70 plus mobile apps live on playstore.
