Solamalai College of Engineering, a leading Engineering College in Madurai accredited by NAAC with an A grade, affiliated with Anna University. Offering diverse undergraduate and postgraduate programs, we focus on academic excellence, innovation, and industry collaboration. With a rich history dating back to 1995 and strong leadership under the Solamalai Group, we nurture global citizens committed to societal impact. Join us for a transformative education that blends theoretical knowledge with practical skills, preparing you for a dynamic future.

About Us:

Established in 1995, Solamalai College of Engineering, accredited with an A grade by NAAC and approved by AICTE, is an esteemed institution affiliated with Anna University, Chennai. Formerly known as Raja College of Engineering and Technology, the college became a part of the renowned Solamalai Group in 2016, a brand deeply rooted in Madurai since 1962. The Solamalai Group has diversified its operations across Tamil Nadu, excelling in FMCG distribution, C&F services, goods truck transportation, passenger services, infrastructure, and cinema exhibition.

Academic Excellence:

Our college offers a diverse range of programs, including seven undergraduate and four postgraduate courses. Recognized for our commitment to innovation, Solamalai College of Engineering achieved a rating in IIC and was acknowledged in the "Promising" category in the Atal Ranking of Institutions on Innovations Achievement (ARIIA) 2021.

Industry Collaborations:

As a nodal center for the BMW Skill Next Program and an affiliated center for PMKVY, the college is dedicated to skill development. We house the MHRD-supported e-yantra Robotics Lab and collaborate with

organizations like TNSDC and UBA for rural development and skill enhancement.

Vision, Mission, and Values:

Vision: To be a premier institute for higher education, fostering global, socially responsible citizens through academic, technical, and innovative excellence.

Mission: Creating an ecosystem of academic, research, and innovation, mentoring inclusive learners, encouraging critical thinking and creativity, upskilling for lifelong learning, and promoting these through social immersion and industry interaction.

Values: Excellence in education, student-centeredness, professional development, research and innovation, integrity, and ethics.

Leadership:

Under the guidance of our esteemed Chairman, Mr. Solamalai Pitchai, and the dynamic Executive Directors, Mr. Anand and Mr. Aravind, Solamalai College of Engineering thrives. Our Chief Advisor, Dr. Sheela Ramachandran, and Associate Director, Prof. Dr. S. Nagarajan, contribute to the institution's success. Leading the institution since 2017, Dr. M. Santhi serves as the dedicated Principal.

Courses Offered:

- UG: Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, BTECH - Artificial Intelligence and Data Science, BTECH - Computer Science and Business Systems.

- PG: Computer Science and Engineering, Embedded System Technologies, Soil Mechanics and Foundation Engineering.

- MBA, Science and Humanities.

Placements:

Solamalai College has a robust placement record with reputed companies such as Infosys, TCS, HCL, Cognizant, Rane, Aqua Group, Voltos, Foxconn, Genpact, L&T Construction, and TATA Projects regularly recruiting our talented graduates.

Join us at Solamalai College of Engineering, where academic excellence, innovation, and industry

collaborations converge to shape the leaders of tomorrow.
