Sumit Impex is a leading manufacturer and exporter based in Mumbai, India, specializing in high-quality fasteners, flanges, fittings, pipes, tubes, sheets, plates, and bars. With over two decades of industry experience, the company has built a strong reputation for delivering precision-engineered products in stainless steel, carbon steel, nickel alloys, duplex/super-duplex, titanium, and other specialty metals.

Backed by ISO-certified quality systems and a commitment to excellence, Sumit Impex caters to a wide range of industries including oil & gas, petrochemicals, power generation, marine, aerospace, pharmaceuticals, paper & pulp, and mining. The company ensures strict adherence to international standards while offering tailored solutions that meet the unique requirements of global clients.

With a customer-first approach, Sumit Impex provides 24/7 technical support, competitive pricing, and timely delivery across worldwide markets. Combining advanced manufacturing capabilities with a strong distribution network, the company continues to be a trusted partner for businesses seeking reliable and durable industrial metal products.
