SunSource Energy, a wholly-owned subsidiary of SHV Group, a 125-year-old Dutch multinational with revenues of over US \$20 billion.

As India's leading provider of solar-based energy and storage solutions to Commercial and Industrial (C&I) customers, SunSource Energy has been helping organizations in their green transition for over a decade. We do this by providing Open Access to Solar Power, Rooftop Solar, and Hybrid (Solar + Battery storage) solutions. We have worked with more than 100 leading domestic and global companies, spanning different sectors, including Coca-Cola, PepsiCo, Indian Oil Corporation, Domino's Pizza, Taj Group, Dr. Reddy's, Max Healthcare, UNICEF, Yakult Danone, GE, Hitachi, and DHL to name a few.

With a portfolio of solar assets spread across 24 states in India and Southeast Asia, we have delivered more than 150 high-quality solar power projects for our clients. Our team of over 200 professionals has the technical expertise and industry insights that enable us to handhold our clients through their green transition journey. We have the capability of providing the full gamut of services be it engineering, procurement, construction, project finance, asset management, and project development.

Our robust development pipeline of 500 MW+ of Solar Open Access projects across Maharashtra, Uttar Pradesh, Karnataka, and Tamil Nadu, enables us to help clients, in these states, with their large Solar Power requirements.

Top solar company in India, SunSource gives an all-encompassing solar solution and offers access to the significant power of solar energy, upholding a sustainable future.
