TankhaPay is a full-suite HR tech platform built for organisation of all sizes. We simplify end-to-end workforce management-from employee onboarding, attendance, payroll processing to performance, statutory compliance, and reports and many more. What sets us apart is our ability to combine powerful software with optional add-on services like Employer of Record (EOR), Global Recruitment, NATS Apprentice Program support, and fully managed Payroll & Compliance outsourcing. This makes us the go-to partner for businesses that want to streamline HR operations without increasing internal load. If you're an HR head or CXO looking to scale with speed and compliance, TankhaPay offers everything in one place-secure, flexible, and built for Indian businesses. TankhaPay is developed and operated by AKAL Information Systems Ltd., a pioneering technology company with over 26 years of experience.
