The Eye Foundation has proved as one of the best eye specialty hospital in all the major cities in south India and has a track record of nearly three decades, treating millions of patients through super speciality eye hospitals located in the cities of Coimbatore, Tirupur, Bangalore, Kochi, Ooty, Mettupalayam, Erode and Pollachi. Always at the cutting edge of technology the institution has to its credit several firsts in the field of Ophthalmology in the country. We were amongst the first to introduce laser eye surgery both in laser refractive surgery as well as laser cataract surgery, which has greatly enhanced the precision of cataract operations. Our hospitals also comply to the NABH standards.
