**The Med Writers**, a medical and scientific writing company, to help researchers get published easier by writing for them and to help companies get the Google rank they want by writing credible informational content for their websites. The company was started in 2007 after Dr. Vieira left Kraft Foods. They have worked on projects for companies like Abbott, Belkin, Dole, Johnson & Johnson, Meijer Pharmacy, Merck, Omega XL, Pfizer, Sechrist, ShopRite Pharmacy, just to name a few. The company is comprised of a team of writers that are doctorate-level medical scientists, medical doctors, naturopathic doctors and chiropractic doctors, bringing credibility and their depth of experience to clients' projects. They also formulate new dietary supplement blends for clients in the supplement industry, ensuring safety and efficacy; this is done through our sister company Make A Supplement.

**Our Services:**
