TherapyMantra is a global online therapy platform transforming mental healthcare. Operating in 40+ countries worldwide-including the USA, UK, Canada, and India-TherapyMantra offers comprehensive services in individual counseling, couples therapy, family therapy, child counseling, and workplace mental health programs. With a network of certified psychologists, counselors, and therapists, we have supported 100,000+ clients and 500+ organizations in improving emotional well-being. TherapyMantra is backed by \$15M in funding from Impanix Capital.
