Radha TMT - a derivative of the prestigious Radha Group, takes pride in manufacturing and supplying TMT Bars of the highest standards to its diverse range of clients.

Established by Late Shri Radheshyam Saraf in the 1960s, the company is being managed by his two sons Mr. Sunil Saraf and Mr. Suman Saraf. To ensure top-notch quality of the steel bars, Sponge Iron is used as raw material. Raw materials are first tested using modern technology before getting them into manufacturing process. To ensure consistent quality and customer satisfaction, the company ensures to conduct predefined and random sample tests at every stage of the manufacturing process.
