Wonder Cement Limited is one of India's youngest and fastest-growing cement manufacturers, operating in nearly a dozen states, including Rajasthan, Gujarat, Maharashtra, Haryana, Delhi, Uttar Pradesh, Punjab, Uttarakhand, Madhya Pradesh, and, Jammu & Kashmir. Our plant at Nimbahera (Rajasthan) is amongst the most modern cement plants in the country, and it was set up in technical collaboration with ThyssenKrupp and Pfeiffer Ltd., world leaders in cement technology.

Currently, we have three products. Portland Pozzolana Cement (PPC). Ordinary Portland Cement (OPC). Wonder Cement Xtreme. Although each of these products has a different purpose, at their core, they are all consistent when it comes to ;

This quality is a result of our relentless pursuit of perfection and the tech-focused innovation we are deploying across departments.
