Tradingo is a new-age stock trading platform made after an extensive research with stock traders and investors. We provide services with really low brokerage so that your profits margins are higher. Our trading app has been built with utmost attention towards speed and safety so you never miss any trading opportunity.

Tradingo is powered by Swastika Investmart Ltd., a 31 plus years old financial services company. Swastika is listed on BSE (Trading symbol - 530585). It has a well-knit team of 800+ stock market experts spread in over 500 cities of India with its large-scale branch and partner network. Swastika Group is well known for its trustworthy and transparent services.
