UniQ Pathlab is an ideal pathology lab in Delhi NCR if you want to have regular health checkups or specific tests on your doctor's recommendation. We offer high quality tests for full body health checkup, kidney, diabetes, thyroid, heart, liver, Covid-19, fever, vitamins, pregnancy, anaemia, cancer, stress, infertility, hormones, STD, and nutrition. To make you feel comfortable, we offer onsite and offsite sample collection for a particular test and deliver the produced test results within the stated time. Our test results are highly accurate and help you detect and treat a disease as it starts building up inside your body. We are your first choice due to our transparency, accurate results, punctuality, and affordable test packages.
