Veectero E-Vehicles LLP is a leading manufacturer of eco-friendly E-Vehicles, specializing in passenger and commercial models. Our flagship product, the Bazzigar, is a certified model by ICAT, designed to provide an efficient and sustainable transportation option. Our company is committed to promoting a greener environment and a sustainable society, which is reflected in our innovative designs and energy-efficient technology.

We offer a range of Bazzigar eRickshaws that are designed to meet the diverse needs of our customers. Our vehicles are not only environmentally friendly but also cost-effective, making them a perfect choice for both personal and commercial use. With our commitment to excellence and sustainability, we aim to lead the way in providing eco-friendly transportation options that are both affordable and reliable.

At Veectero E-Vehicles LLP, we believe in creating a better future for ourselves and the generations to come. Join our movement today and experience the benefits of a cleaner and more sustainable mode of transportation.
