Vignesh Aravind Transports is a venture that has evolved over time. It has its modest beginnings around 1978 with the establishment of Aravind Blue metal – Quarry & Crushers at Tindivanam. The gradual progression in the field was evident with the emergence of new divisions including Quarries & Transportation. Vignesh Aravind Blue metal is headed by Mr. Aravindan, who has vast knowledge and experience of 45 plus years in the field of Blue metal Mining. In Aravind Blue metals, our aggregates confine to government standard specifications with test certificates.
