

X-ON Electronics Pvt Ltd

Address	Ground Floor 487, 35A, Outer Ring Rd, Peera Garhi, Peeragarhi Village, Paschim Vihar,
Contact Person	xonelec
Mobile Number	
Email	marketing@xonelec.com

We are the top 1N4148 Diodes - General Purpose, Power, Switching seller and distributor in USA, India, UK, Australia and other countries. 1N4148 Diodes - General Purpose, Power, Switching is manufacturer from ON Semiconductor. X-ON Electronics Components provide you the cheapest electronic Diodes - General Purpose, Power, Switching in 1N4148 diode is a standard silicon switching diode widely used for fast switching applications. It features a maximum reverse recovery time of 4ns, which makes it suitable for high-speed switching tasks. It is commonly found in digital and analog circuits and is valued for its reliability and performance.
